A Merry Christmas to all!

Christmas is the season to commemorate and celebrate the birth of the Redeemer. It is a season of goodwill, a time to rejoice, a time to forgive, a time to be one with the rest of humanity in remembering that God sent his only son into the world to redeem us.

Our redemption began on Christmas Day. As is written in the Bible:

“And she shall bring forth a son, and thou shalt call his name JESUS. For he shall save his people from their sins.” (Matthew 1.21)

In this season of goodwill, the Philippine Olympic Committee and POC Online greet one and all a very Merry Christmas and a Happy New Year!
