POC mourns the loss of President Cory Aquino

The Philippine Olympic Committee (POC) mourns the loss of former Philippine President Corazon C. Aquino, who died in the grace of our Lord at 3:18 a.m. today, August 1, 2009.

The Olympic community in the Philippines joins the family of the late President Cory, especially her brother POC President Jose Cojuangco, Jr., in their hour of mourning, and prays for the eternal repose of her soul.

In deference to President Cory's passing, POC Online will not publish any sports news for this issue.
